Here I just consolidated all the non-Chinese Appstore reviews from all the country. It's a snapshot as of Jun. 28, 2013, and the reviewers might update the review later.

Goncalvesjpao

Right what i was looking for [Version 1.4]

25th Mar 2013

Lots and lots of examples for you to practice.
Decent graphics.
Allows you to add more recorded games.
Cool app!

Turgze

Best app to study go problems [Version 1.4]

3rd Mar 2013

Just what I wanted to study go problems. Especially spaced repetition system is very nice. I was solvin
Other nice features are, importing sgf problem files in zip archives, creating and editing games/problen

I think this is the best app on IPad to study go problems!

ViktorSovietov

Nice app [Version 1.4]

3rd Mar 2013

It could be een better with randomised problems

Comment: shuffling problems and games is supported.

ypres333

New study feature [Version 1.4]

20th Feb 2013

I enjoy the new study feature; the program will remember your mistakes & stagger the repetition so you

Actorios

Amongst the top 3 go apps on iOS [Version 1.4]

16th Feb 2013

The latest version of Easygo has brought me a functionality I was waiting for long : a space-repetition p
The fact that you can add your own problems and therefore build up your own personalized program f
I also appreciate the fact that the system varies the orientation and the color of stones so that you rem

Aside from the problem piece, I particularly enjoy annotating games on Easygo. It is the only app avail

Its clearly a very good app and I place it amongst my top three with Smartgo Kifu (for its pro game libra

Use it a lot. [Version 1.3.1]

30th Dec 2012

EasyGo and Smartgo Kifu are the two main go apps that I use. They have different features and purpo

Kgsfr

Good gogame [Version 1.3.1]

15th Dec 2012

Nice app for go exercise and a good support for Watch pro game by "go kifu". Very good

Eajy

Great game but..... [Version 1.2]

10th Aug 2012

The is a great editor and game player. I have Smartgo kifi but Easygo have several different features i

Robert Huang

EasyGo [Version 1.2]

16th Jul 2012

Easily the best go kifu and problem program on the iPad.
I have Kogo joskei dictionary, as well as my library of go problems on EasyGo.

I have been teaching my children how to play with the basic problems.

Keep up the good work!

Dorothyfan1

The best SGF Weiqi editor [Version 1.2]

3rd Jul 2012

In my opinion, this program beats Smartgo Kifu for best SGF editing capabilities. I love how this app ca

EricBackus

Great! [Version 1.2]

25th Jun 2012

I've really enjoyed the problems provided, and I like the ability to load my own problems. Thanks for ma

Great [Version 1.1]

8th Apr 2012

Really useful app, thrilled that it allows you to edit / create / upload your own problems. There's a few b

I use this more than SmartGo now and its cheaper

Wortraum

Mächtiger SGF-Editor [Version 1.1]

3rd Apr 2012

EasyGo ist ein mächtiger SGF-Editor – der einzige auf dem Ipad, den man so nennen kann. Viele Funk

Die Grafik könnte hübscher, die Steine, die Linien, das Brett, der Variantenbaum könnten schärfer sein

Dennoch: Wer SGFs auf dem Ipad editieren möchte, mit Varianten und Kommentaren, kommt derzeit

kuruhuru

Cool! [Version 1.1]

I load Kogo's joseki dictionary and it works! Now this app is the best for me, thx to author

I like this app more than Smartgo Kifu.

+

Comparing to SmartGo this app has tree view. It is very very useful when reviewing games with variati

It is also easy to import sgf to the app.

I imported some sgf with russian comments created by KGS editor and all works fine

padre.tomasito

Świetna aplikacja, bardzo dobrze uzupełnia SmartGo [Version 1.0]

1st Mar 2012

Aplikacja naprawdę dobra, ze względu na edycję partii z widokiem drzewka ruchów jest to dużo prosts

Spökenkieker

Sehr schön, tolle Funktionen! – Beautiful, Great Functionality! [Version 1.0]

6th Feb 2012

TOLLE APP! Vom absoluten Anfänger bis zum fortgeschrittenen Spieler wird hier jeder etwas finden.

Sehr schön ist die Möglichkeit, eigene Tsumego-Sammlungen und kommentierte Spiel-SGFs zu laden

Der Entwickler ist kooperativ und reagiert schnell.

EMPFEHLUNG für jeden Liebhaber des Go-Spiels (auch bekannt als Igo, Baduk, Weiqi)!

—

GREAT APP! Everybody, from absolute beginner to advanced player, will find something here.

Very nice is the ability to import own tsumego collections and commented game SGFs, something I've

The developer is cooperative and responsive.

RECOMMENDED for every lover of Go (also known as Igo, Baduk, Weiqi)!

preussja

Only iPad app that allows problem uploading [Version 1.0]

1st Feb 2012

Great app for studying problems. Developer very responsive to feedback.

Silver-Gamer

Schöne Sache, ... [Version 1.0]

30th Jan 2012

da die App viele Dinge biete, die selbst Marktführer vermissen lassen. Der File-Manager gefällt sehr. D

Mein Wunsch wäre eine Darstellung auf dem TV via AirPlay. Keine Ahnung, ob das realisierbar ist. Ma

Xyiana

good app [Version 1.0]

29th Jan 2012

Good app with great potential. Author is listening to ppl and he is active on 19*19 forum. Only bad part

Lin_sun

Great product! [Version 1.0]

15th Jan 2012

Very clean interface and easy to use. A lot of fun to learn And improve Go skills. Highly recommend.

□□□

Splendid! [Version 1.0]

Very nice! The function to add the files is good! I like it.
